## Riddle 1 The Journey Begins Card

- First, find the way out of the maze. Then, go back to the beginning of the journey and solve the exercise, camel by camel, step by step.
- Avraham plants a tamarisk tree in Parshat Vayeira

## Riddle 2 Zionist Crowdfunding Card

- You couldn't find any differences? The amount of differences is double the amount of people that appear in the poster.

## Riddle 3 Afforesting the Land

- First of all- the illustration won't help in solving the riddle, only the numbers and data.
- You haven't learned how to calculate area in school yet?  
Calculate the area of each plot separately- the length of the plot multiplied by the width of the plot. Then add the areas together. After you have the entire area of the land, divide it by ten so that each tree can grow comfortably.

## Riddle 4 Settling the Negev

- Want to discover the answer really easily? Open up a map.

## Riddle 5 Making the Wilderness Bloom

- Use 12 pencils to create the riddle in front of your eyes. Play with the pencils, moving only three at a time.
- You didn't succeed? The final shape connects all four squares adjacent to one another.

## Riddle 6 Reforestation

- Use the internet to find out what the different stages of trees in the Land of Israel look like- blossoming, fruit, leaves.

## Riddle 7 Those who sow in tears, will reap in joy.

- Read the riddle and the words in the dictionary first of all. Watch the video carefully and stop it when you discover the answers. After the text is complete, copy the numbers in the order you placed them in the text (all of the words in the wordbank appear in the text).

## Riddle 8 Olive Tree

- You don't know some of the symbols? Here is an ordered list of the institutions that the symbols represent. Find the symbol on the internet (you can also search by image) and check if we added an olive branch to it or not.  
Israel Police, the Mossad, the State of Israel, the Bank of Israel, the City of Jerusalem, the Israel Defense Forces, the Knesset Guard, the United Nations, the Maccabi symbol, the Hebrew University, the Bnei Akiva Youth Movement, the symbol of the USA.

## Riddle 9 The Animal World

- The riddles are difficult- look for answers on the KKL website and the internet. Do not rely only on previous knowledge.

## Summary Riddle

(appears on opening page)

- Fill in the answers according to the information that appears on all the cards, in the "Did You Know?" sections, and in the riddles themselves. All the information can be found on the cards.
